

Multiple Choice Question Round - How to Guide

We will be using the ClassMarker platform for the MCQ test and the following are the required steps to attempt the MCQ test.

- Step 1: You will receive an email from ClassMarker before 11 p.m., 14th of September 2021 as in figure 1. This contains credentials for your ClassMarker test-taker account. Please note that **only the team leader** will receive this email. If you haven't received the mail, please check your spam folder.

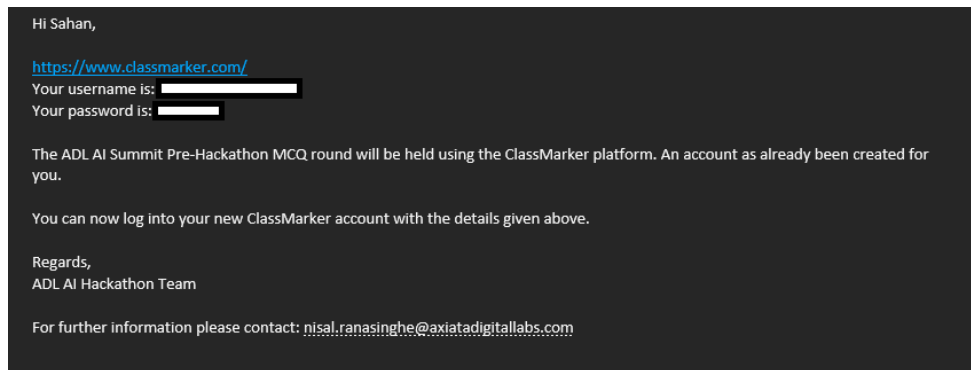

figure 1

- Step 2: When you click the link in the email (www.classmarker.com/), you'll go to a web page as in figure 2. You can login using the given credentials.

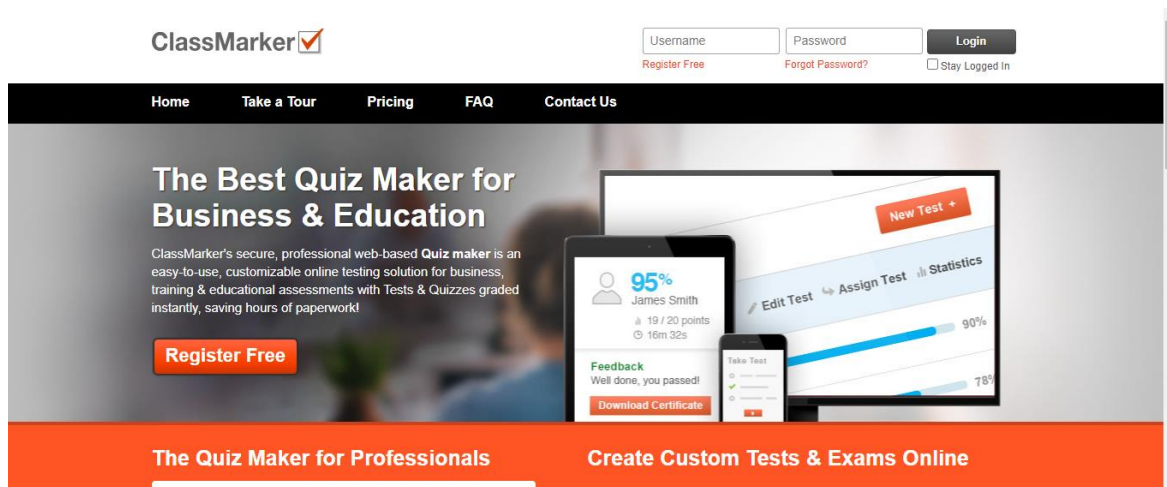

figure 2

- Step 3: When you are ready to take the test, click on the **start** button in the web page in figure 3 to start the MCQ attempt. The test will be named “**ADL AI Hackathon - MCQ Round**”. Since only 1 member of the team can access the test, you are free to use any method to collaborate (e.g. MS Teams, Zoom). Please note you will only get 1 attempt to complete the MCQ round. Therefore, **make sure you are ready** before you click start.
